CARGO – CLAIM FORM

IMPORTANT PROCEDURE IN THE EVENT OF LOSS OR DAMAGE FOR WHICH INSURERS MAY BE LIABLE, LIABILITY OF CARRIERS, BAILEES OR OTHER THIRD PARTIES

It is the duty of the Insured and their Agents, in the event of loss or damage for which underwriters may be liable, to take such measures as may be reasonable for the purpose of averting or minimizing a loss and to ensure that all rights against Carriers, Bailees or other third parties are properly preserved and exercised, in particular, the Insured or their Agents are required:

- To claim immediately on the Carriers, Port Authorities or other Bailees for any missing packages.
- In no circumstances, except under written protest, to give clean receipts where goods are in doubtful condition.
- When delivery is made by container, to ensure that the Container and its seals are examined immediately by their responsible official.
- If the Container is delivered damaged or with seals broken or missing or with seals other than as stated in the shipping documents, to clause the delivery receipt accordingly and retain all defective or irregular seals for subsequent identification.
- To apply immediately for survey by Carriers' or other Bailees' Representatives if any loss or damage be apparent and claim on the Carriers or other Bailees for any actual loss or damage found at such survey.
- To give notice in writing to the Carriers or other Bailees within 3 days of delivery if the loss or damage was not apparent at the time of taking delivery.

NOTE - The Consignees or their Agents are recommended to make themselves familiar with the Regulations of the Port Authorities at the port of discharge.

DOCUMENTATION REQUIRED

To enable claims to be dealt with promptly, the Insured or their Agents are advised to submit all available supporting documents without delay, including when applicable:

- Original policy or certificate of insurance or marine declaration as applicable.
